

# APPLICATIONS

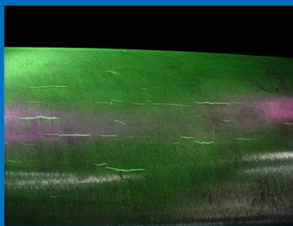

- Aerospace
- Automobile
- Auto Component Manufacturing
- Heavy & Medium Engineering
- Oil & Gas
- Marine & Ship Building
- Forgings
- Foundry
- Railways
- Process Industries ( Steel & Power plants)

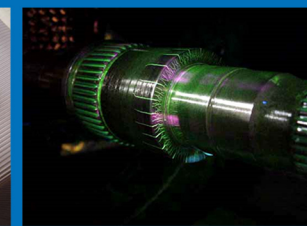

Crane Hook with Service Induced Crack

Gear with Service Induced Crack

Drive Shaft with Heat Treatment Induced Cracks

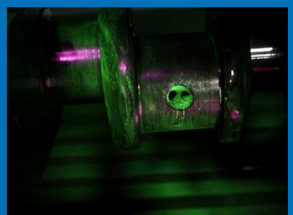

Splined Shaft with Service Induced Cracks

Threaded Shaft with Service Induced Crack

Large Bolt with Service Induced Crack

Crank Shaft with Service Induced Crack Near Lube Hole

Rocker Arm Raw Material Crack
